**HON. JIMMY GOMEZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 14, 2022*

Mr. GOMEZ. Madam Speaker, today I rise to honor the Boys & Girls Clubs of West San Gabriel Valley & Eastside on their 50th Anniversary.

For 50 years, the Boys & Girls Clubs of West San Gabriel Valley & Eastside have

navigated through challenging times to provide a safe place for kids and teens. Today, they are committed more than ever to ensure club staff, families, and communities have the resources and support they need during uncertain and difficult times.

The Boys & Girls Club of West San Gabriel Valley and Eastside has three clubs in CA 34: Estrada Courts, Ramona Gardens, and William Mead. These clubs, which are located in low-income public housing communities, provide a fun, structured environment for after school, during holidays, and on summer vacation for youth ages 6–17. The programs and services that are offered promote and enhance the development of America's youth and families by instilling a sense of worth, belonging and inspiration.

These clubs inspire me. They are open 6 days a week serving over 6,000 kids and 2,200 families and they have served more than 250,000 meals in our community. During the Covid-19 pandemic the Boys & Girls Clubs of West San Gabriel Valley & Eastside stepped up for the community and distributed over 1 million face masks, hand sanitizers and assorted PPE. Additionally, the clubs hosted vaccine clinics where they administered over 600 vaccines. Sixty-eight families received Rent Relief to stay in their homes during the holidays and an additional \$60,000 was given to 30 families at the start of 2022 in rent relief support.

Madam Speaker, I ask my colleagues to join me in honoring and celebrating the 50th anniversary of the Boys & Girls Club of West San Gabriel Valley & Eastside.
